

ED 472 : Assessment and Diagnosis of Reading Problems

This course will introduce teachers to the various types and causes of reading difficulty. Teachers will learn how to administer and interpret literacy assessments and use other diagnostic techniques with diverse populations. The information teachers obtain will assist in their identification of students' areas of reading difficulty and guide their instructional recommendations. This course includes an 8-10-hour Reading Practicum.

Credits 3.0

Prerequisite Courses

[ED 470: Foundations in Reading](#)
