Students enrolled in a course outside the Department of Global Studies that involves a major research project may earn credit for conducting research in French, German, Japanese or Spanish. The research should be related to a major paper and/or presentation in the other discipline. A student who wishes to conduct research for a project in another field using language sources will submit a credit request to both the professor of the research related course and to the Chair of the Department of Global Studies. The course level will be determined upon consultation with the language supervisor and the Chair of the Department of Global Studies.
