

Smoking / Tobacco Policy

Federal law prohibits the sale and/or distribution of any tobacco product, tobacco accessories, electronic cigarette, or alternative nicotine product to persons under the age of 21.

Illinois College is committed to promoting a healthy environment for its students, faculty, staff and visitors. Smoking is prohibited in all indoor areas or within 15 feet of the perimeter of any building on the College campus. Smoking includes, but is not limited to cigarettes, tobacco and devices such as e-cigarettes, pipes and vaporizers. Smoking remnants should be disposed of in containers provided for that purpose.
