

# Student Employment

Many students at Illinois College work part-time on campus for up to 10 hours per week. The College employs students in departments on campus including the library, dining hall, academic departments, administrative offices, recreation center and in buildings and facilities management. Students may also hold part-time jobs in the community. Students interested in working on campus should attend the on-campus job expo during the first week of school and follow up with the Director of Student Employment in the Human Resource Office. It is important to keep in mind, however, that a normal schedule of college classes, along with the preparation that is necessary outside of a class, is itself a full-time activity. Students employed on campus are paid once a month. Contact Sarah Kaisner at [Sarah.Kaisner@ic.edu](mailto:Sarah.Kaisner@ic.edu) or the Office of Human Resources for more information.
