

## AR 361 : New Media

A studio course focused on a range of topics that include materiality, interactivity, time, social media, and exploring forms and technologies identified as new or emerging. Through practice research, discussion, and lecture, this course introduces students to the changing new media landscape that is transforming the way we think about the intersection of disciplines, including art, technology, humanities, and social sciences. This is an upper-level course designed for majors and minors.
