

Summer Study on an Individual Basis and Internships

With faculty supervision, students may register for credit for an independent study or participate in college-approved internships during the summer. Internships for academic credit must include summer assignments, opportunities for reflection on the activities of the internship, and a culminating project. Approval by a faculty supervisor and the Office of Career Readiness is required by June 1 each year. The internship learning contract, available from Career Readiness, is required. See [Internships](#) for more information.
