NU 450	Leadership & Health Policy in Nursing Practice	4.0
NU 451	Clinical: Leadership & Health Policy in Nursing Practice	2.0
NU 460	Nursing Capstone	4.0
PH 350	Biomedical Ethics	4.0

## Additional Requirements

Students also must complete all BLUEprint requirements, with the exception of, if a student enters needing the 101-level of language, the student will take SP 101 followed by GB 270, which will also count toward Cultures and Worldview.

Note: A student may need to take one or more summer courses if they do not enter ready to take the 102-level language or needing any other prerequisite courses.

Students must earn a grade of "C" or higher in all nursing and nursing support courses required for the nursing major. For all clinical courses, the clinical component is pass/fail. A failure in the clinical practicum will result in failure of the course, regardless of classroom performance. (See the Nursing Handbook for additional information on program requirements.)

**Students must maintain satisfactory progress through and completion of courses in each semester, including first year and sophomore level, in accordance with the Traditional Track Degree Plan and must maintain a cumulative GPA of 2.75 to progress through the Nursing Program.**

---

**Total Credits**

**108-112**
